GLOBAL COUNCIL 2015

COLOMBO SRI LANKA

At the Global Council Brothers Poitras and Mathiasz were given a time slot to promote GATS to our Global Fellowship.

A beautiful colorful souvenir was printed with pages promoting GATS Worldwide.

A colourful GATS Notepad too was printed and distributed among all delegates.

This sparked an interest in many wanting to know more about GATS.

GATS was also promoted during the special Sunday service at the National HQ church.

We hope to reap positive benefits as a result of the Global Council held in Colombo, Sri Lanka.

RE: Transfer of Credits from PI to GATS

Dear Sir,

It is with much joy that I recently moved back to Sri Lanka after having lived and worked in Singapore for 14 years. It is a privilege to be able to serve under you and to learn from you.

During my time in Singapore, I had the opportunity to study under the Purpose Institute (PI) Bible School program run by Tabernacle of Joy (TJ), Singapore from 2010 to 2014. During this time I completed the Associate's Diploma level requiring a total of 52 core curriculum credits, and continued on to complete another 22 credits (out of 52 required) towards the Bachelor's Diploma. As such, I have completed a total of 74 credits, 70% of the requirement towards the Bachelor's Diploma, the highest qualification PI offers.

I stopped my PI studies in 2014 as I was planning to move back to Sri Lanka with the intent of transferring over to the GATS program. With this in mind, I would like to kindly submit my transcripts provided by TJ (attached herewith) for the perusal of the GATS Global Education Committee to deem at which level I can fit into the GATS program in Sri Lanka.

Looking forward to your favourable reply.
Yours sincerely,

M. Dinukshan Kuruppu
